Alexandria, Virginia 22313-1450

Dear Sir:

This is in response to the Office Action dated December 17, 2004, for which the 30-day shortened statutory period for response expires on January 17, 2005. Kindly consider the remarks set forth below.

Remarks begin on page 2 of this paper.

Application Serial No. 10/608,906
Attorney Docket: 46107-0037
Reply To Restriction Requirement Dated December 17, 2004

REMARKS

The present response is in response to the Restriction Requirement mailed December 17, 2004, in which the Examiner required election between Invention I (Claims 1-23, drawn to yaw control system and method, classified in class 303, subclass 146) and Invention II (Claims 24-35, drawn to electromagnetic retarder, classified in class 188, subclass 158). Applicants elect to prosecute Claims 1-23 without traverse. Applicants reserve the right to submit a divisional application directed to the non-elected claims at a later time. In view of this election and these remarks, it is respectfully submitted that an action on the merits of the elected claims is in order.

Prompt and favorable consideration and allowance of the application is respectfully requested.

Respectfully submitted,
